

Tracing Letter J

Pre-K Letters & Alphabet Trace worksheet

Trace the uppercase J and lowercase j.

A series of ten rows of handwriting lines for tracing. Each row consists of four horizontal lines: a top blue line, a middle red dashed line, a bottom green line, and a descender blue line. The letters 'J' and 'j' are printed in a dotted font on these lines, alternating between uppercase 'J' and lowercase 'j' in each row. The letters are positioned such that the 'J' spans from the top blue line to the bottom green line, and the 'j' spans from the middle red dashed line to the descender blue line.
